IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.41028 of 2008
KAILASH LAL DEO
Versus
STATE OF BIHAR
---

2 24-09-2008 Heard the learned counsel for the petitioner and learned A.P.P. for the State.

The allegation against the petitioner is of having forced the revolver into the mouth of the informant which had resulted incised wound. The act of the petitioner does not call for human sympathy.

The fresh ground taken on behalf of the petitioner is that none of the prosecution witnesses is appearing. Notwithstanding issued warrant of arrest non-appearance of the prosecution witnesses, there is no ground for bail.

In the aforesaid circumstances, I am not ready to accede to the prayer of the petitioner and, accordingly, reject the petition for bail.
